MEMORANDUM FOR : Chief, Security Branch, DPD-OD/P
Attention: [redacted] 25X1

THROUGH : Chief, Development Branch, DPD-OD/P

SUBJECT : Request for T-KH Clearance for [redacted] 25X1

1. LMSC has made an informal request to obtain access to NPIC for [redacted] 25X1

2. Currently LMSC has [redacted] cleared for T-KH and access to material primarily from the standpoint of system engineering and correlation of instrument operation parameters for future product improvement and failure analysis. 25X1

3. [redacted] role at LMSC is to prepare and reduce flight programs. He prepares digitote comparisons and works directly with Lt. Colonel Murphy and NPIC personnel in the preparation of ephemeris data. I feel that direct liaison between [redacted] and personnel at NPIC could materially contribute to a better mutual understanding in the analysis of flight data. For example, the card decks that are exchanged at the time of recovery on ephemeris could be handcarried to NPIC by [redacted] with the result in "speed-up" in obtaining our "best guess" ephemeris 25X1 25X1
